Dear Parents:

The Sacrament of Penance is the confession of our sins to achieve reconciliation with God and neighbor. It is through this sacrament we learn to examine our conscience, confess our sins, and receive forgiveness in the peace of Christ. Through performing the penance received from the priest we show our sorrow for the sins committed. This in turn reconciles and strengthens our resolve to live as Disciples of Christ.

The forgiveness of sins is a gift from Jesus to fill God's people with grace. In receiving the gift of God's grace we learn to freely choose words and actions, which build up the reign of God's church.

As parents, we have the responsibility of teaching children how to freely choose right from wrong. It is through Christian family values and morals that our children learn to freely choose the right words and actions in their lives, which are consistent with our faith. Thus, it is through our faith in Jesus we learn to forgive and reconcile as friends, families and neighbors when unfortunate events happen in life. As children witness their parents' faith in Christ they begin to establish their own faith life and build on their ability to forgive others, as they would like to be forgiven. This builds faith, family and friendships.

We will be preparing your student for the Sacrament of Penance in the upcoming classes. We hope that this booklet and your student's book will aid you in becoming a primary source for your child regarding the understanding of God's grace and forgiveness.

Please take time to read this booklet for appropriate information regarding the day of the Sacrament. Also, please pray with your child and encourage their spirituality through attendance at Mass, spending five minutes of quiet time alone with Jesus and family prayer in your home. Sacraments are a special time in your child's life. If you have any questions please feel free to call the Religious Education Office. 836-8610.

May God Bless You and Yours,

Miss Emily Hackett
Director of Religious Education

PREPARING CHILDREN FOR RECONCILIATION

In preparing children for reconciliation, families teach many things through their everyday lives. Some family experiences where children in primary and middle grades learn forgiveness and peace are:

being forgiven
forgiving
sharing
cooperating
making friends

helping others
being loved
loving
making decisions

READINESS

Primary grade children still think concretely. In teaching about sin and forgiveness, parents must respect their child's developmental stage and intellectual capacity.

Most children at this level make quantitative judgments more easily than qualitative ones. To many children of this age, accidentally dropping a stack of the family's best dishes is much worse than breaking one in anger. Parents must also help children begin to make a distinction between deliberate and accidental acts.

Through experiences of everyday living, parents can determine whether their child can distinguish between something that is morally good and morally evil. Parents are also in the best position to know if their child has a basic understanding of forgiveness, being sorry, and trying to do better.

SACRAMENT OF PENANCE

Sacrament of Penance is the sacrament of forgiveness and peace. It is one of the ways in which God chooses to forgive us our sins. When people sin, they separate themselves from God's love. In the Sacrament of Penance, we return to God, our loving parent.

Sometimes you will hear people use the expression "confession" or "reconciliation" for the Sacrament of Penance. Both the confession of sin and receiving reconciliation with God through the priest are a part of this Sacrament.

UNDERSTANDING SIN

Children are introduced to the concept of sin within the context of understanding the nature of their relationship with God. They learn about this loving relationship through their experiences of family and of friendship. Through these experiences and stories about Jesus' special love for them, young children begin to understand the complexity of sin. Sin is presented in terms of how these relationships are changed as a result of willful wrongdoing.

In human friendships, there are serious disruptions in these relationships. There are also less serious offenses, which pave the way to a carelessness about the relationship. In coming to understand this, children learn that there are offenses that can affect their relationship with God in a similar way.

COMMUNAL ASPECTS OF SIN

The church is the family of God. We became part of this family at Baptism. At Baptism, we became children of God.

Anytime a member of God's family sins, the whole family is touched by this separation. That is why the Sacrament of Penance is sometimes a communal celebration where the parish family comes together asking for forgiveness.

SORROW FOR SIN

Parents teach children to be sorry for their sins by helping them understand the meaning of the words, "I'm sorry." This is begun in ordinary family situations. Parents help children experience apology situations by letting children witness a loving sincerity of words and actions when spouses apologize to one another. Parents should not hesitate to apologize to their children when the occasion arises. This is done not only with words but also by their actions and behavior in apology situations.

In learning what it means to be truly sorry, children must be helped in gradually coming to understand that if a person is sorry, that person:

1. attempts to change his/her behavior;
2. does something about the wrong committed;
3. makes promises with resolutions to not to repeat the wrong.

BIBLE STORIES

Some Bible stories you may enjoy reading and talking about with your children are:

1. Luke 15:1-10 The Lost Sheep.
2. Luke 15:11-32 The Lost Son.
3. Luke 7:36-50 The Pardon of the sinful Women.

HOW TO GO TO CONFESSION

Before Receiving the Sacrament

- + Spend some time quietly thinking about what you will confess. You can use the Examination of Conscience to see how you are living the Commandments.
- + Say a prayer to the Holy Spirit. Ask the Holy Spirit to help you make a good Confession.
- + Wait quietly until it is your turn to enter the confessional. Be courteous to others who are waiting.

Steps in the Sacrament of Penance (*Individual*)

1. Go into the confessional. Begin with "Bless me Father for I have sinned."
2. Say, "This is my first confession." (After your first time then the next time you receive the Sacrament this say, "My last confession was _____.")
3. Tell your sins to the priest and end by saying "For these and for all my sins I am sorry."

4. The priest gives you a penance – something you agree to do in order to make up for your sins and to show that you want to change your life.
5. The priest invites you to tell God how sorry you are. You pray an Act of Contrition.
6. The priest prays the prayer of absolution. If you are making your Confession face-to-face, the priest will extend his hands over your head while he prays. As the priest blesses you, make the sign of the cross and answer, “Amen.”
7. The priest says, “Go in peace.”

After Receiving the Sacrament

For our First Penance service, return to your pew and wait for others to conclude and for the final prayers. The priest will dismiss everyone.

The next time you go to the Sacrament:

1. Remain in the church for a few moments. Say a prayer of thanksgiving to Jesus for the grace and healing you have received.
2. If the priest has asked you to say prayers as your penance, you may pray these prayers quietly now.
3. If the priest has asked you to do something as your penance, plan how you can carry out this action now.
4. Do not talk with others about your confession. Do not ask others about their confessions.
